teams*

How do you approach an interdisciplinary research topic and draft a research proposal? What are chances and challenges of interdisciplinary research? How does interdisciplinary research experience affect career opportunities? This ViDSS Brownbag Session aims at providing tips and tricks for planning and realising interdisciplinary research as an early stage researcher.

Postdoctoral researchers **Ming Manuel Boyer** and **Melanie Sindelar** and assistant professor **Cornelia**

**Staritz** will provide insights into their experiences with interdisciplinary research. The ViDSS administration team will provide additional advice.

Target group: doctoral candidates in the social science  
Venue: online via Zoom
