ViDSS Brownbag Session: Career paths beyond academia

In Austria almost two thirds of doctoral candidates consider a doctoral degree a training for an academic career. However, the majority of graduates go on to work in other sectors. Join this semester's ViDSS Brownbag Session and learn about how applicable the competences that you (will) have developed in the course of your studies are in fields beyond the University context.

Graduates from the doctoral programme in Social Sciences will provide insights into their career trajectories and share their experiences in different occupational sectors:

Anita Gottlob (Department of International Affairs, Policy, Evaluation and Digitalisation; Gesundheit Österreich GmbH),
Lisa Gottschall (Psychosoziales Zentrum ESRA; Neustart)
Daniele Karasz (Search and Shape, Institute for Applied Social Research)

Venue: online via Zoom
