Which international mobility opportunities are available for PhD candidates? How do I find and approach a suitable hosting institution? What should I pay attention to when applying for financial support for a research stay abroad or a leave of absence from the University of Vienna? And how do I prepare for staying abroad for a longer period of time?

With doctoral candidates who have conducted research stays abroad and experts on funding opportunities for doctoral candidates:

Barbara Good (Head of the International Office)

Elena Heinz (ViDSS student in political science)

Pierre Wenzel (ViDSS student in anthropology)
