ViDSS Meeting Room
Kolingasse 14–16

What should I do if parts of my thesis have already been published? How do I find potential reviewers? What sort of funding does the University provide for the final phase? And, what is the role of my supervisor/s during the final phase of my doctoral studies?

Join us for a **Q&A with the StudiesServiceCenter and the ViDSS** and clarify all questions related to

the submission and the review of your doctoral thesis and the public defence in the doctoral programme in Social Sciences.

The session is part of the Completion Course offered in the doctoral programme in Social Sciences in the summer semester of 2025 but is open also to doctoral candidates (SPL 40) who are not registered for the course.
